"Swirling Seas" *The Changing Nature of Cable and Telecommunications in the Caribbean*

Highlights Sessions

Programming and Technical Highlights Registration

Two of the most popular events at the Annual Meeting are **Programming Highlights** and **Technical Highlights**. At the 2017 Annual Meeting, these events will run consecutively on Monday, January 23, in the Adonis Room of the Atlantis Conference Center, with the first presentation starting at 8:30 a.m.

During the Highlights Sessions, representatives of Associate Members have **ten (10) minutes** each to promote the products and services of their companies. Because time is limited, there are only a specific number of presentations in each session. Don't miss this great opportunity to discuss your company and introduce yourself to Annual Meeting attendees, prior to the opening of the Exhibit Hall. Only representatives of Associate Members (membership dues for 2017 must be paid) who have completed their Annual Meeting registrations for the 2017 Annual Meeting may participate. **Only registered attendees can give presentations.**

If you are interested in securing a 10-minute slot in either the Programming Highlights or Technical Highlights, please complete this form and return it to the Executive Director, once your Annual Meeting registration has been completed and accepted. Remember space is limited, so only early registrants get this opportunity. Presentations must be submitted in advance to CCTA Vice Chair Andrew Greene. The deadline for receipt of presentations is January 18 at 5 p.m. By signing this form, you acknowledge that your presentation will be submitted by the deadline to AGreene@cbc.cc. The sequence of presentations will be distributed at the CCTA Registration Desk at the Annual Meeting.

The Highlights Participation form can be scanned and e-mailed or faxed to Executive Director Andrea L. Martin. The e-mail address is info@cctanet.com, and the fax number is 561.952.4002.

Please indicate your interest in participating in either the Programming Highlights or Technical Highlights sessions. You can participate in only one. By completing and signing this form, you acknowledge that you understand the requirements for participation.
