

# CCTA 2017 Annual Meeting

**"Swirling Seas"** *The Changing Nature of Cable and Telecommunications in the Caribbean*

## Sponsorship Opportunities

*The Time for Your Company to Shine*

The CCTA's Annual Meeting relies heavily on the generosity of its Active and Associate Members, primarily through sponsorships. All sponsors are acknowledged in the final program, as well as during the actual event and throughout the Annual Meeting. To be able to customize an event, a company must sponsor the entire activity. Listed below are full sponsorship opportunities, but partial sponsorships are available with a **minimum contribution of \$700**.

If you are interested in becoming a full or partial sponsor, this form should be completed and then scanned and e-mailed or faxed to the CCTA. The e-mail address is [info@cctanet.com](mailto:info@cctanet.com), and the fax number is 561.952.4002. In the event of duplicate requests, the one received first will reserve the sponsorship opportunity. Thank you!
