Dear Ms. Martin,

On behalf of **Big Brothers Big Sisters of Bermuda**, we wish to extend our thanks to Caribbean Cable & Telecommunications Association for their donation of **\$1,000.00**. Your thoughtfulness and willingness to contribute to our organization not only strengthens our commitment but also reinforces our belief that our efforts to enhance the lives of young people throughout the community are both needed and appreciated.

We would personally like to thank Mr. Edward Cherwinski for nominating us for this prestigious grant.

We firmly believe that "*friendship make a BIG difference*" and this expression of friendship to our organization, our programs and especially our children will definitely make a difference.

Again, thank you for the wonderful support.

Yours sincerely,
